

ANNUAL CHECK-UP

The annual check-up includes:

- Test and check refrigerant pressures for maximum efficiency
- Clean and check condenser
- Inspect and clean condensate piping and trap
- Lubricate motors (as needed)
- Inspect fan belt
- Check thermostat operation
- Safety check all operating controls and change air filter
- Check system operation and cooling temperatures.

An annual Precision Check-Up/Service Check will be performed once during the term of this agreement, during regular working hours. It is your responsibility to arrange an appointment for this important service. Your right to this annual tune-up expires at the end of each coverage year. We will issue no credit if not performed nor will we carry over this right to any subsequent year.

Rural Fuels appreciates the opportunity to help you cool your home. Thank you for your business.

TERMS AND CONDITIONS

- Labor is covered only for the repair and replacement of covered part. Rural Fuels does not guarantee the availability of any repairs or replacement parts.
- This agreement does not cover repair or replacement of obsolete parts such as certain controls, valves, contactors, motors, humidifiers, and air cleaners which are not available through regular sources of supply.
- All parts listed under this agreement which are eligible for replacement will be replaced with equivalent parts. Parts upgrades are not covered and will be charged accordingly. Initial repairs required to put the cooling system in acceptable condition are not covered.
- Exclusions: This agreement does not cover parts or labor when failure is due to: Lack of service if service has been delayed due to delinquency in payments, or when customer is not on service plan; Customer leaving emergency switch in "off" position. Failure of customer to maintain proper electrical supply to units. Customer setting thermostat too high to call for cooling; Water damaged parts.; or Electric Utility malfunctions; Any system failure or damage caused by, or resulting from, the actions of the customer, any third party or acts of God.
- This agreement covers one domestic type cooling unit only. It does not apply to the following equipment: Heat Pumps, Air Handlers, Compressors and units over 15 years old. We reserve the rights to inspect and reject a system from coverage under this plan prior to issuing or renewing this agreement.
- This agreement does not cover, nor does it create, liability for injury or damages resulting from failure of the condenser, refrigeration lines, water leaks from equipment failure or other equipment, or consequential damages resulting from delays or inability to supply parts caused by or resulting from any cause not within our control or at unattended dwellings.
- There are no promises, terms, conditions or obligations other than those printed herein, and this agreement contains the entire agreement of the parties hereto.
- Your account must be current to be covered by this service agreement. Nonpayment will result in a suspension or termination of coverage under this agreement. Overdue amounts will bear interest at the rate of one and one-half (1.5%) percent per month.
- The length of this agreement is one (1) year. The term may be mutually extended or renewed by the parties in writing.
- If the customer is in violation of any of the terms of this agreement at any time, Rural Fuels may terminate this agreement, without refund. Rural Fuels may also terminate this Agreement due to any defective, deteriorated or dangerous condition of or related to the cooling system.
- Rural Fuels will apply a 20% discount off of standard labor rates and parts for any and all service performed that are not covered by this agreement. Discount does not apply to new equipment installations.
- Rural Fuels will not be liable for any damages to the heating system unless caused by Rural Fuels or its agents or employees.
- All service plan payments are non-refundable.
